LEGEND:

- P = permitted use
- P1 = allowed only if associated with an allowed service, civic, or public assembly use
- M = minor use permit required
- C = conditional use permit required
- T = temporary use permit required
- N = specifically marked as not allowed
- blank = not allowed because not included in code tables
- P/C = Permitted Use or Conditional Use Permit Required. See Division 23-4E-6 (Specific to Use)
- M/C = MUP required if associated with an existing recreational use on the same site or part of an approved master plan; otherwise, a CUP is required

- white = permitted use
- green = temporary use permit required
- blue = minor use permit required
- yellow = conditional use permit required
- red = use is not allowed
- purple = permit varies depending on circumstance:
- gray = for PUD, dependent of specific zoning ordinance; for F25, dependent on current zoning in Chap. 25

ISSUES:

- 1) The draft code [e.g., 23-4D-2030 (A)(5)] states that if a land use is marked as "N/A" or is not included in the table, it is not allowed. However, there is no "N/A" in any of the tables in the draft code. Many uses are marked with hyphens. In the footnotes to the tables themselves, these hyphens are stated to mean that the use is specifically not allowed. This portions of the code referring to "N/A" should be changed or the hyphens should be replaced with "N/A".
- 2) The April Addendum eliminated some uses without showing any strikethrough. It is not clear whether these uses still exist or were inadvertently omitted. These uses should be confirmed as either still existing or purposely eliminated. They are shown in magenta on this chart.
- 3) For Restaurant Use w/o Alcohol Sales in zones MU1A, MU1B, MU1C, MU1D, and MU2A, the MUP and P have a five in parenthesis (5). It is not clear what this means as there does not appear to be an explanation anywhere.
- 4) No uses are specifically defined for F25 zoning. Presumably the base zoning and uses from the current Chapter 25 would apply. This should be clarified.

This chart derived from the February 12, 2018 draft of CodeNext3 and modified by changes in the April 20, 2018 Addendum. Prepared by the Zilker Neighborhood Association on May 1, 2018. It is believed to be correct, but refer to the actual code for verification.
