Subject: 30 Jul 2020 City Council Agenda Item 30 -- C184-2018-1021 (218 South Lamar Rezoning)

The Bouldin Creek Neighborhood Association's Steering Committee voted on a non-binding resolution to oppose the Zoning Application for 218 S. Lamar Blvd that requests a zoning change from CS (General Commercial Services) to PUD (Planned Unit Development) due to our belief it does not meet the established PUD Criteria and violates the intent of the Waterfront Overlay Ordinance.
