**Subject:** 218 S. Lamar Blvd (Schlotzsky PUD) rezoning

Dear Mayor and Councilmembers,

The Barton Hills Neighborhood Association executive committee is strongly opposed to the rezoning application for this site and is in full support of the position taken by the Zilker Neighborhood Association regarding this matter.

This site already has generous base zoning, does not meet the standards for a PUD, and violates both the requirements and intent of the city's Waterfront Overlay Ordinance.

For those reasons, the proposed rezoning of this property should be rejected.

Thank you.

Stan Ostrum  
Vice-President  
Barton Hills Neighborhood Association
