

Zilker Neighborhood Association general meeting April 30, 2018 at Zilker Elementary School

Treasurer's report, membership report, and announcement of bylaws change (posted on the ZNA website and to be voted on in the July general meeting).

Goodrich Place housing project update-- Ann Gass, Pilar Sanchez, and Henry Flores--Housing Authority City of Austin (HACA)-- Architectural miscalculation of floor-to-area ratio has caused City to not approve the design. HACA is exploring options including an appeal at the Board of Adjustment and also a zoning change.

City water and sewer projects--Richelle A. Brown, Ron Crane at City of Austin Public Works-- Described upcoming wastewater and water project scheduled for 2019 and 2020 for a portion of the neighborhood. Map of affected streets will be posted on both the city website and the ZNA website when it's finalized.

Cap Metro -- Lonny Stern of Cap Metro presented an overview of upcoming changes to bus system including routes and accelerated schedules.

CodeNext update--Dave Piper presented an overview of the CodeNext process and the latest draft with its major issues of concern.
