Authorization to Disturb the Final Cover Over a Closed MSW Landfill - Issued  
Tracking Nos. 23015063, 22817922 and 23087561; CN600135198/RN102761764

Dear Mr. Vaclavik:

We have reviewed your request dated April 16, 2018, and the revisions dated June 15, 2018 and July 9, 2018 for an authorization to disturb the final cover of a closed municipal solid waste (MSW) landfill. The request is to remove existing crushed stone material from the property, cover it with four inches of top soil and revegetate the area within the boundary of the closed non-permitted Butler landfill located at 2236 ½ Stratford Dr., Austin 78746, in Travis County. The authorization request was prepared, sealed, and signed by Mr. Scott Smiley, P.E. with Atkins.

Authorization to proceed with the proposed activities is hereby granted as allowed by Title 30 Texas Administrative Code (30 TAC), §330.954(e) and in accordance with the submitted plans. The proposed project has been assigned the Authorization No. 67022. Please reference this number in all future correspondence regarding this project. Any future activities, as well as any deviations from the approved plans, which will disturb the cover over the closed landfill, must also be submitted to us for prior approval.

The construction activities must comply with all applicable provisions of 30 TAC §330.955(d) through (h) concerning the protection of the final cover and the proper disposal of the excavated materials. Any waste removed must be evaluated and disposed of at an authorized disposal facility. Any exposed waste left in place must be properly covered with at least two feet of compacted clay-rich soil. Water coming in contact with MSW is considered contaminated, and must be collected and disposed of at an authorized facility. A report documenting the work performed is required to be submitted to us at the completion of the project.

If you have questions concerning this letter, please contact Mrs. Mihaela Chilarescu at (512) 239-6175 or in writing at the address on our letterhead (please include mail code MC 124 on the first line).

Sincerely,
