Re: Butler Landfill – Travis County
Municipal Solid Waste (MSW) – Authorization No. 67022
Authorization to Disturb the Final Cover Over a Closed MSW Landfill – Zilker Park Staging
Area – Withdrawn
Tracking Nos. 22435869, 22536816; CN600135198/RN102761764

Dear Mr. Vaclavik:

On July 17, 2018, we received an email request to withdraw the application dated January 31, 2018, and revisions dated March 23, 2018, and June 15, 2018, for an authorization to disturb the final cover of a closed municipal solid waste (MSW) landfill. The withdrawal email was requested by Mr. Scott Smiley, P.E., Atkins.

The application was for development of a staging area along with construction of a water quality pond and other lot improvements in the area within the boundary of the closed non-permitted Butler landfill located at 2236 ½ Stratford Drive, Austin 78746, in Travis County. The withdrawal request was a result of the Austin City Council's resolution made in June, 2018, to defer any activities disturbing the landfill cover to this area.

Per your request, the application for an authorization to disturb the final cover of a closed MSW landfill is formally considered withdrawn. The City of Austin may re-submit the application at a later time, when deemed practical. If you have any questions, please contact **Ms. Gayatri Bitracanti** at (512) 239-2568, or in writing at the address on our letterhead (please include mail code MC 124 on the first line).

Sincerely,

Chance Goodin, Manager
Municipal Solid Waste Permits Section
Waste Permits Division
