## VENUE INFORMATION

District (Warehouse, Sixth Street, Outside): Outside

Restaurant General (with 51% food sales, yes/no): Yes

Size (square feet): LISTED AS 1800

Capacity: LISTED AS 72

## GENERAL DESCRIPTION OF SURROUNDING AREA

Located in CS zoning among other small businesses and within 600' of residential zoning and use.

## IMPACT ON RESIDENTIAL / ADDITIONAL RESTRICTIONS

Renewal of expired OMV permit, venue under new management. Live music and open mic performances on front porch of restaurant, sound is oriented southeast toward Lamar and away from the residential behind. Sound system comprised of (2) small 10" or 12" main speakers on stands. NO subwoofers to be used. The stage volume is to be kept very low. Acoustic instruments should be used when possible. Percussion should be hand drums if needed. Guitar amps should be turned down low. These recommendations on managing stage volume are guidance for the applicant, the decibel level limit must be complied with regardless of how stage volume is managed. Sound limit restricted as per code for restaurant use. Sound cut off times limited as per code 600' from residential zoning and use rule. Very close proximity to residential homes. **TYPE 1 OR TYPE 2 SOUND METER MUST BE ON PREMISES AND AVAILABLE FOR USE AND INSPECTION.**
