

## 2200 De Verne (in Barton Springs Zone - June 14, 2019)

See text of email. Sediment visible in street.

See text of email. Sediment visible in street.

Mulch socks are not allowed on a slope this steep.

No controls for pile of sand which is immediately adjacent to gutter.

## 2200 Arpdale (in Barton Springs Zone) - June 14, 2019

Crushed silt fence at corner. Gap in silt fence without j-hooks. Mulch socks do not have j-hooks.

No controls for pile of sand which has crushed silt fence. Sediment visible in street. Storm drain inlet immediately adjacent.

Crushed silt fence.

## 1912 Paramount (in Barton Springs Zone) - June 14, 2019

Mulch socks stacked on top of each other (prohibited by specs). No staking of mulch socks.

Mulch socks stacked on top of each other (prohibited by specs). No staking of mulch socks. No j-hooks. Slope too steep for one row of mulch socks.

Mulch socks stacked on top of each other (prohibited by specs). No staking of mulch socks. No j-hooks on mulch socks or silt fence. Slope too steep for one row of mulch socks.

Sediment downstream of site that has never been swept up.

# Zilker Neighborhood (in Barton Springs Zone) - June 14, 2019

**2112 Ann Arbor** - No controls. May be a Code Department issue rather than a DSD issue.

**2112 Ann Arbor** - Sediment deposited in street downstream of 2112 Ann Arbor.

**1401 Rabb** - Gaps in mulch socks. Not staked. No j-hooks on mulch socks or silt fences.

**1717 Norris** - No controls along front. Substantial amounts of sediment and dirt in street.

# Zilker Neighborhood (in Barton Springs Zone) - June 14, 2019

**2109 Peach Tree** - Crushed silt fence. No j-hook on left end.

**2109 Peach Tree** - No controls for dirt between mangled silt fence and curb.

**2103 Peach Tree** - Mulch sock completely flattened and totally ineffective. Not staked. No j-hooks on mulch socks or silt fence.

**1113 Azie Morton** - Water funnels down driveway with only one mulch sock row. Slope requires more. Muddy water floods off of this driveway whenever it rains.
